Health and Wellness has decided to volunteer at the South Brevard Sharing Center for the 12:30 - 4:00 shift on the 3rd Thursday of each month to gather and hand out requested pantry items to those in need. Marilza, Deborah R., and Terry T. volunteered a few times over the last two weeks to fill in needed time slots.

I have forwarded the required sign-up genius volunteer form to everyone who helped us in the past at Daily Bread so that we can all be ready to take turns at the Sharing Center. As of right now, they only need 4 of us on our day, but the number might grow or we may volunteer for a second day each month. If you did not receive the email with the sign-up genius link and are interested in volunteering in the future, just let me know and I will forward it to you.

There will be a sign-up sheet at the June meeting for volunteers for July 17th, August 21, and September 18. Or you can contact Susan Davis if you would like to volunteer.
